

Travel And Tourism

City of Dreams

INTRODUCTION:

- Overview

Mumbai is a world within itself. Moments IN Mumbai provides you support to explore this city in all the aspects. This city of dreams is divided into various parts but the astonishing outlook is each and every part is a wonder in itself. This is your mini tourism digest that guides you through each part of Mumbai. We not only recommend tourism spots but for all the foodies out there we have a special section where, from street food to budgeted food to elite restaurant we have mentioned them all.

- Purpose

Deciding where to go is one of the most difficult decision. It involves many points such as distance, time, mood as well as cost. This mini digest has covered it all, whichever part of Mumbai you are, you don't need to worry this website include area wise tourism places where you can chill explore shop and eat.

We have also defined categories where you can find the best places that follows those category. The main purpose of this website is make your travel inside Mumbai easy and convenient.

LITERATURE SURVEY:

- Existing Problem

In a vast city like Mumbai where there are thousands of places that are incredible, finding the one best place around you is a difficult task. Everyone loves visiting new and exiting places but while finding those place people tend to wonder here and there. Sometimes even though there are many good places near you, unknowingly we travel a lot and lose our precious time.

In a city like Mumbai where travelling takes a lot of time finding a destination for learning, exploring, hanging out, chilling, shopping or eating can be very difficult.

- Proposed Solution

This website is a platform where we have systematically categorized tourism places area wise. We have mentioned the classification of Mumbai in 4 sections namely : Western, Central, Harbour and Navi Mumbai.

We have mentioned the areas that fall within each sections. These areas are actually a link that

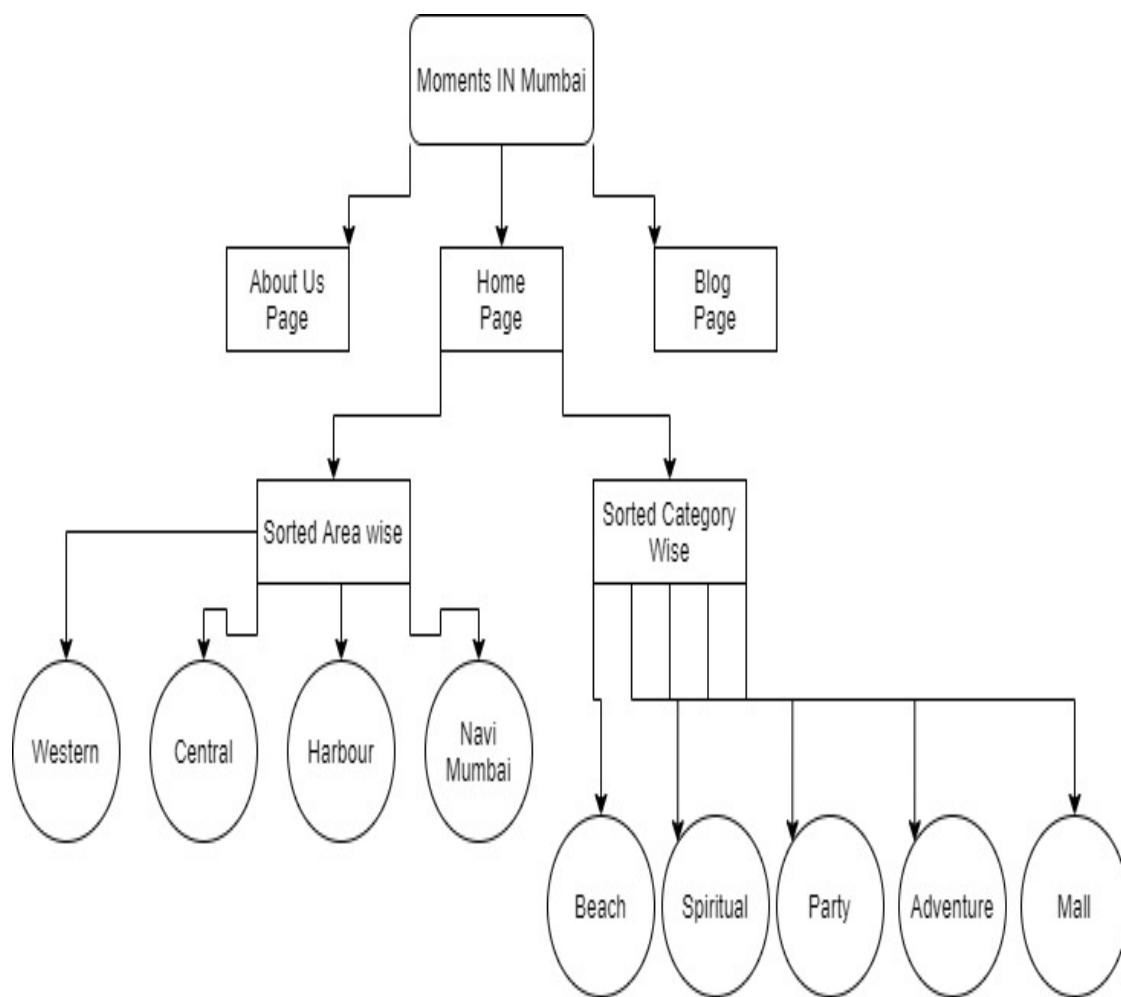

takes you to a place where you can find tourism in and near that area. We have included a section for all the food lovers where from street food to budgeted restaurant to elite hotels we have mentioned them all.

Travelling is made easy using this website you can find your perfect destination that lies near you. We have also sorted tourism places in categories such as Mall, Party and clubs, Adventurous, Beaches and Spiritual places.

This platform is your mini digest to guide you travel in an organized and planned manner

THEORITICAL ANALYSIS:

- Block Diagram

- Hardware / Software designing

The website is build using wordpress and hosted by godaddy domain.

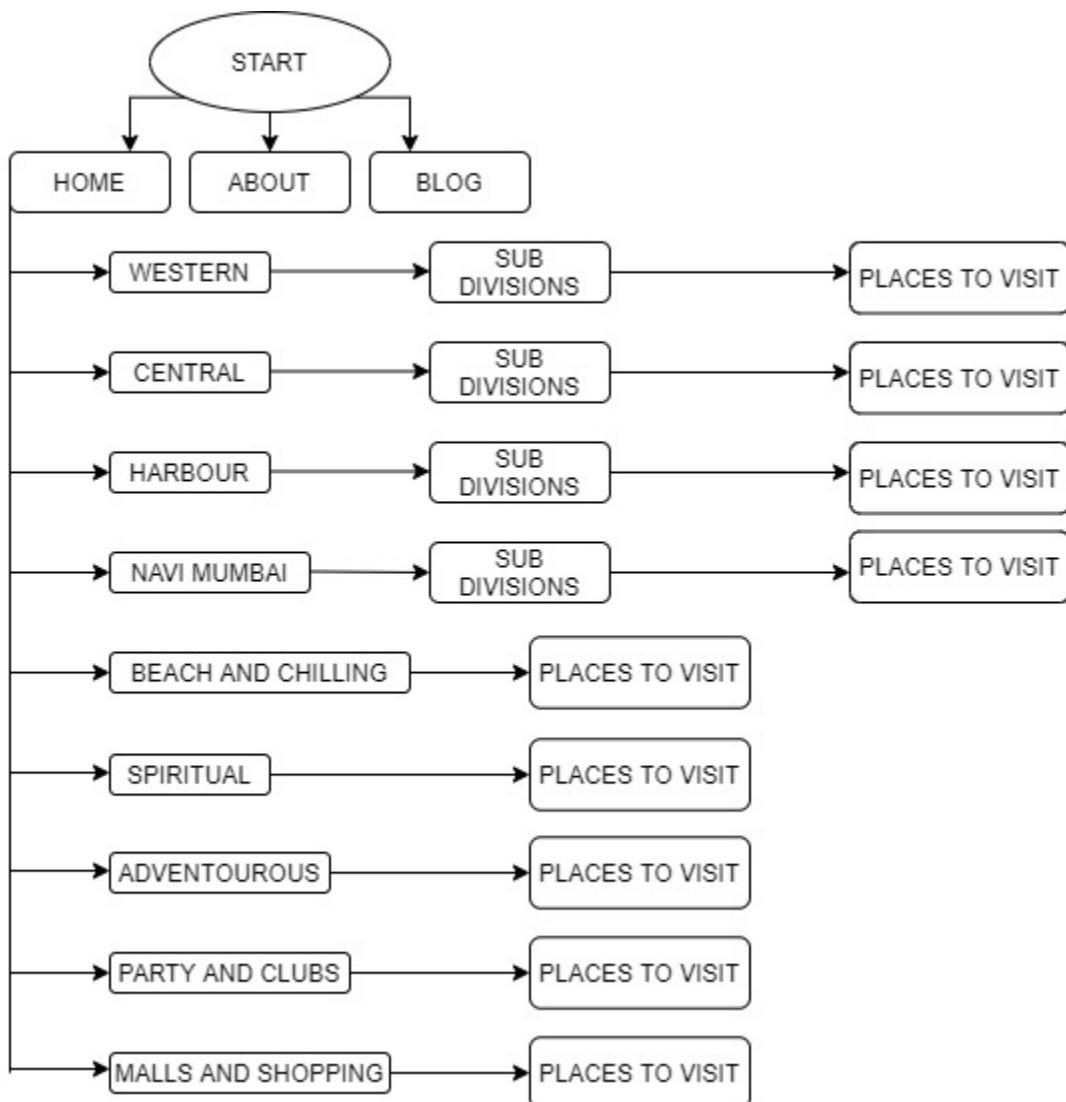

The platform we used to complete is smartintern work space.

EXPERIMENTAL INVESTIGATION:

- Knowing the 4 major divisions in Mumbai
- Listing down all the sub division in each Major lines
- Finding tourism places in each sub division
- Finding best places to eat in each sub division
- Sorting out Categories for tourism
- Listing out best places in each category

These are the Analysis or Investigations made while working on development of the website.

FLOWCHAT:

RESULT:

The screenshot shows a WordPress-based website titled "Moments IN Mumbai". The header features a large banner image of the Mumbai skyline at night with a sailboat on the water. The logo "Moments IN Mumbai" is centered on the banner. Below the banner, there are three main navigation links: "Home" (highlighted in green), "About Us", and "Blog".

The main content area is titled "MUMBAI" in bold capital letters. It contains a descriptive paragraph about the city: "A city that never sleeps, a land with a spirit of gold and residents with a never say die attitude – Mumbai has hypnotized millions world over. From artists to writers, filmmakers to tourists – Mumbai has captured the imagination of every soul that has stepped foot in the city. This may not be a city for those who love the peace and calm of the countryside, but it sure is a place to be in if one wishes to live life to the fullest." Below this text are three small images: a night view of the city, a person holding a smartphone showing a map, and a train interior.

Below the main text, there are four categories with "Know More" buttons: "WESTERN" (with a blue button), "CENTRAL" (with a teal button), "HARBOUR" (with a blue button), and "NAVI MUMBAI" (with a teal button). Further down, there are six more categories with "Explore" buttons: "Beach and Chilling Places" (with a blue button), "Spiritual Places" (with a teal button), "Adventurous and Gaming Zones" (with a blue button), "Party and Clubbing Places" (with a teal button), "Malls and Shopping Complexes" (with a blue button), and "Mumbai IS THE HEART!" (with a teal button).

The footer section includes a map of Mumbai with major roads labeled, social media icons for Facebook, Twitter, YouTube, and Instagram, and a green "Explore Mumbai" button. There are also two purple text boxes: "MUMBAI IS THE SOUL!" and "IT'S THE CITY FULL OF DREAMS AND HOPES!!".

- Mumbai Suburban Section of Western Railway has been playing the most crucial role of moving millions in the Metropolitan regions. Western Railway suburban trains cover almost the distance up to moon in one week. The suburban section of Western Railway in Mumbai extends from Churchgate, the city's business centre to Dahanu Road covering a distance of 123 Kms. and 36 stations. The first electric train on this section was introduced in 1928 between Colaba and Andheri, since then the network has been extensively widened with 1305 services running and carrying about 35 lakh commuters every day almost round the clock. The passenger density on Western Railway is 60,000 passengers per km per day which is highest among all the leading Metro Railways of the world.

CENTRAL

- Chhatrapati Shivaji Terminus
 - Masjid Bunder
 - Sandhurst Road
 - Byculla
 - Chinchpokli
 - Currey Road
 - Parel
 - Dadar
 - Matunga
 - Sion
- The Central line of the Mumbai Suburban Railway is a public transit system Mumbai, Maharashtra, India. It consists of 24 stations from Chhatrapati Shivaji Maharaj Terminus (CST) to Kalyan Junction. The entire line is at grade. The Central line in Mumbai consists of three major corridors, which bifurcate as they run into suburban satellite towns. There are fast and slow locals here for suburban service. Slow locals halt at every station, while fast locals halts vary between Byculla, Dadar, Kurla, Ghatkopar, Vikhroli, Bhandup, Mulund, Thane, Diva, Dombivli and Kalyan Junction. All services plying beyond this junction run slow. Trains usually start from and terminate at important stations.

- Kurla
- Vidyavihar
- Ghatkopar
- Vikhroli
- KanjurMarg
- Bhandup
- Nahur
- Mulund
- Kalyan
- Thane

HARBOUR

- Chhatrapati Shivaji Terminus
 - Masjid
 - Sandhurst Road
 - Dockyard Road
 - Reay Road
 - Cotton Green
 - Sewri
 - Wadala road
 - King's Circle
 - Mahim
 - Bandra
- The Harbour line is a branch line of the Mumbai Suburban Railway operated by Central Railway. It was named so because it catered to the eastern neighbourhoods along the city's natural harbour. Its termini are Chhatrapati Shivaji Maharaj Terminus (CSMT), Andheri Goregaon and Panvel on the CSMT-Goregaon, CSMT-Panvel and Panvel-Andheri routes. The line is a double line and therefore does not have any fast trains on it. The line runs parallel to the Central Railway line till just before Sandhurst Road station where the line turns eastward and runs elevated up till Sewri. At Wadala Road, the line branches into two. The first line joins with the Western line at Mahim and terminates at Goregaon. The second line follows through Mankhurd into the city of Navi Mumbai
- Khar Road
 - Santacruz
 - Vile Parle
 - Andheri
 - Guru Tegh Bahadur Nagar
 - Chunabhatti
 - Kurla
 - Tilak Nagar
 - Chembur
 - Govandi
 - Mankhurd

NAVI MUMBAI

- Vashi
 - Sanpada
 - Juinagar
 - Nerul
 - Seawoods
 - Belapur
 - Khargar
- Navi Mumbai, also known by its former name New Bombay, is the largest planned city of the entire world, situated on the west coast of the Indian subcontinent, Maharashtra in Konkan division, on the mainland of India. The stations in Navi Mumbai are well maintained and beautifully designed by CIDCO. There are IT offices above the stations. The Railbridge connecting Vashi and Mankhurd railway stations running over Thane creek, parallel to the road bridge has brought Navi Mumbai closer to Mumbai, boosting the development of the region.
